

New Ticktocker Attendance Policy

Board approved as of May 3, 2004

It is important that Ticktockers attend their monthly grade-level meetings. This promotes friendship and sharing in the workload of the class.

- If, however, a Ticktocker must miss a meeting or an event, she shall call the Grade-Level Advisor prior to the meeting with her reasons and an apology.
- If any expense was incurred because of the Ticktocker's absence (such as an un-used ticket, etc.) she will still have to pay the expense.
- Ticktockers must attend six of the eight grade level meetings, and attend the entire meeting or event to consider it complete attendance.
- Ticktockers may miss only two meetings per year.
- Upon missing the third meeting, a Ticktocker will have to make up two hours of service (philanthropy or league) for each missed meeting **in addition to her grade level requirement.**
- Make-up hours cannot be used for awards.
- If a Ticktocker misses three or more grade-level meetings the Grade-Level Advisor shall give her name to the Standards Committee. The Standards Committee shall take final direction from the Board of Directors.
